

*Vision Statement*  
*2004-2009*

Child Guidance Clinic of Greater Waterbury (CGCGW) will be a community based, child and family center. As a Center committed to professional excellence and the delivery of quality services, it will provide and facilitate comprehensive prevention and early intervention behavioral health services that respond to the changing needs of children and their families.

CGCGW will become a vibrant center for training and education of parents, child-centered professionals and agencies. Recognizing the value of collaboration, CGCGW will develop positive, structured relationships with other agencies to provide a seamless system of care for children and families.

CGCGW will be funded by diverse sources and in a stable financial position that enhances human and facility resources and an efficient infrastructure to meet the changing needs of programs and services.
